

The National Sorghum Foundation/BASF Scholarship

The National Sorghum Foundation and BASF are pleased to announce a joint scholarship program for the 2022/2023 school year. Two deserving students pursuing agriculture majors whose parents or grandparents are members of National Sorghum Producers will be awarded \$2500 scholarships. Awards will be provided to the scholarship winners by January 31, 2023.

Requirements for the National Sorghum Foundation/ BASF Scholarship Award

Applicants must be the child or grandchild of a National Sorghum Producers member and be pursuing an undergraduate or graduate degree in an agriculturally related curriculum. Undergraduate applicants must be entering at least their second year of study during the 2022-2023 school year.

Applications are due by Dec. 1, 2022 and must include the following:

- Completed Application (see attached)
- **Official transcript**
- At least two letters of recommendation
- A headshot photo for media release

Timeline:

October 1, 2022	Applications open
December 1, 2022	Application deadline.
January 15-31, 2023	The winner(s) will be contacted.

Application Deadline: December 1, 2022. Incomplete application packets received or those application packets which are postmarked after December 1, 2022 will not be considered. Applications and supporting letters should be singled sided and not stapled with minimum font size of 11.

About the National Sorghum Foundation

The National Sorghum Foundation was established to aid and promote higher education in agriculture, more specifically, to promote the study of sorghum and its impact on agriculture. Producers, researchers, and private industry collectively funded the Foundation endowment to enhance the awareness of sorghum as the fifth most important cereal crop in the world today.
